"Our results for the second quarter of fiscal 2019 were in line with our expectations as we grew organic net sales and delivered gross margin improvements across the organization, capping a solid first half of our fiscal year," said Dr. Michael J. Hartnett, Chairman and Chief Executive Officer. "Strong year-over-year organic sales results in the Aerospace and Industrial markets, combined with solid margin expansion and expense management, led to improved profitability in the quarter. The strong operating performance and healthy backlog have us well-positioned for the remainder of fiscal 2019."

Second Quarter Results

Net sales for the second quarter of fiscal 2019 were \$172.9 million, an increase of 5.2% from \$164.3 million in the second quarter of fiscal 2018. Excluding the restructured Sargent Canada operation, organic net sales increased 7.3% year over year. Net sales for the aerospace markets increased 4.4% in total and 7.5% on an organic basis. Industrial market sales grew 6.5% in total and 7.0% on an organic basis. Gross margin for the second quarter of fiscal 2019 was \$67.8 million compared to \$61.9 million for the same period last year. Gross margin as a percentage of net sales was 39.2% in the second quarter of fiscal 2019 compared to 37.7% for the same period last year.

SG&A for the second quarter of fiscal 2019 was \$29.3 million, an increase of \$1.7 million from \$27.6 million for the same period last year. The increase was primarily due to higher personnel-related expenses of \$1.0 million, \$0.6 million of additional share-based compensation and other items of \$0.1 million. As a percentage of net sales, SG&A was 17.0% for the second quarter of fiscal 2019 compared to 16.8% for the same period last year.

Other operating expenses for the second quarter of fiscal 2019 totaled \$2.6 million compared to \$8.9 million for the same period last year. For the second quarter of fiscal 2019, other operating expenses consisted primarily of \$2.6 million in amortization of intangible assets. For the second quarter of fiscal 2018, other operating expenses were comprised mainly of \$6.5 million related to restructuring of the Sargent Canada operation and \$2.4 million of amortization of intangible assets.

Operating income for the second quarter of fiscal 2019 was \$35.9 million compared to operating income of \$25.4 million for the same period last year. Excluding costs associated with restructuring of the Sargent Canada operation in fiscal 2018, adjusted operating income for the second quarter of fiscal 2018 was \$31.9 million. Operating income as a percentage of net sales was 20.8% for the second quarter of fiscal 2019 compared to an adjusted 19.4% for the same period last year.

Interest expense, net was \$1.4 million for the second quarter of fiscal 2019 compared to \$1.9 million for the same period last year.

Income tax expense for the second quarter of fiscal 2019 was \$4.0 million compared to \$8.5 million for the same period last year. The effective income tax rate for the second quarter of fiscal 2019 was 11.7% compared to 36.4% for the same period last year. The reduction in the effective income tax rate primarily reflects the net benefits of the Tax Cuts and Jobs Act and \$3.2 million of benefit associated with share-based compensation compared to \$0.4 million of share-based compensation benefit for the same period last year.

Net income for the second quarter of fiscal 2019 was \$30.1 million compared to \$14.8 million for the same period last year. On an adjusted basis, net income was \$30.2 million for the second quarter of fiscal 2019, compared to \$20.3 million for the same period last year.

Diluted EPS for the second quarter of fiscal 2019 was \$1.22 per share compared to \$0.61 per share for the same period last year. On an adjusted basis, diluted EPS for the second quarter of fiscal 2019 was \$1.22 per share compared to an adjusted diluted EPS of \$0.83 per share for the same period last year, an increase of 47.0%.

Backlog, as of September 29, 2018, was \$429.9 million compared to \$390.2 million as of September 30, 2017.

Outlook for the Third Quarter Fiscal 2019

The Company expects net sales to be approximately \$174.0 million to \$176.0 million in the third quarter of fiscal 2019. This would result in a growth rate of 4.3% to 5.5% on a year-over-year basis and 6.9% to 8.2% on an organic year-over-year basis.

Non-GAAP Financial Measures

In addition to disclosing results of operations that are determined in accordance with U.S. generally accepted accounting principles (GAAP), this press release also discloses non-GAAP results of operations that exclude certain items. These non-GAAP measures adjust for items that Management believes are unusual. Management believes that the presentation of these non-GAAP measures provides useful information to investors regarding the Company's results of operations, as these non-GAAP measures allow investors to better evaluate ongoing business performance. Investors should consider non-GAAP measures in addition to, not as a substitute for, financial measures prepared in accordance with GAAP. A reconciliation of the non-GAAP measures disclosed in this press release with the most comparable GAAP measures are included in the financial table attached to this press release.
