ANNUAL MEETING OF STOCKHOLDERS

To Be Held September 14, 2012

PROXY STATEMENT

The Board of Directors (the "Board") of RBC Bearings Incorporated (the "Company") is soliciting proxies from its stockholders to be used at the annual meeting of stockholders to be held on Friday, September 14, 2012, beginning at 9:00 a.m., local time, at The Crowne Plaza, 1284 Strongtown Road, Southbury, CT 06488, and at any postponements or adjournments thereof. This proxy statement, a proxy card and the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2012 are being mailed, or made available via the internet as described below, to stockholders on or about July 27, 2012. The fiscal years ended April 2, 2011, March 31, 2012 and March 30, 2013 are referred to respectively as "fiscal 2011", "fiscal 2012" and "fiscal 2013" in this proxy statement.

This year, the Company is furnishing proxy materials to stockholders via the internet. If you received a Notice of Internet Availability of Proxy Materials (the "Notice") by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. The Notice instructs you on how to access and review all of the important information contained in the proxy statement and annual report as well as how to submit your proxy over the internet. If you received the Notice and would still like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials included in the Notice. We plan to mail the Notice to stockholders on or about July 27, 2012. We will also continue to mail a printed copy of this proxy statement and form of proxy to certain stockholders and we expect that mailing to also begin on or about July 27, 2012.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

We are soliciting proxies for the 2012 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock on July 16, 2012 (the "Record Date"), and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board and committees thereof, the compensation of directors and executive officers and other information that the Securities and Exchange Commission (the "SEC") requires us to provide annually to our stockholders.

How may I obtain RBC Bearings' 10-K and other financial information?

A copy of our 2012 Annual Report, which includes our 2012 Form 10-K, is enclosed and incorporated by reference herein.

Stockholders may request another free copy of our 2012 Annual Report, which includes our 2012 Form 10-K, from:

Corporate Secretary
RBC Bearings Incorporated
One Tribology Center
Oxford, CT 06478

We will also furnish any exhibit to the 2012 Form 10-K if specifically requested. Stockholders may also find other filings with the SEC and corporate governance and other information on the investor relations page of our website at <http://investor.rbcbearings.com/>.

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the accompanying Notice of Annual Meeting of Stockholders. In addition, management will be available to respond to appropriate questions from stockholders.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a stockholder of record on the Record Date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

How many votes do I have?

You will be entitled to one vote for each outstanding share of RBC Bearings Incorporated common stock you owned as of the Record Date on each matter considered at the meeting. As of July 16, 2012, there were 22,200,789 shares of the Company's common stock outstanding and eligible to vote. There is no cumulative voting.

Who can attend the meeting?

Subject to space availability, all stockholders as of the Record Date, or their duly appointed proxies, may attend the meeting, and each may be accompanied by one guest. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration will begin at 8:00 a.m., and seating will begin at 8:30 a.m. If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in "street name" (that is, through a broker, bank or other nominee), you will also need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date and check in at the registration desk at the meeting.

Please let us know if you plan to attend the meeting by marking the appropriate box on the enclosed proxy card or, if you vote by telephone or internet, indicating your plans when prompted.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of the common stock outstanding on the Record Date will constitute a quorum, permitting the conduct of business at the meeting. As of July 16, 2012, 22,200,789 shares of common stock, representing the same number of votes, were outstanding and eligible to vote. Thus, the presence of the holders of common stock representing at least 11,100,395 votes will be required to establish a quorum.

Proxies received by the Company but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your proxy will not be counted. You can vote by proxy by completing, dating and signing the enclosed proxy card and returning it in the enclosed postage-paid envelope.

If you hold your shares in “street name,” you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or using the internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then the individuals named on the proxy card will vote your shares in accordance with the recommendations of the Board. The Board and management do not now intend to present any matters at the annual meeting other than those outlined in the Notice of the Annual Meeting of Stockholders. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the individuals named on the proxy card discretionary authority to vote the shares represented by such proxy on such other matter in the manner they consider appropriate.

If you do not specify on the enclosed proxy card that is sent to the Company (or when giving your proxy over the internet or telephone) how you want to vote your shares, the proxy holders will vote them “FOR” the election of all nominees for director as set forth under Item 1, “FOR” the ratification of the appointment of the of independent registered public accounting firm under Item 2, and “FOR” the approval of the resolution regarding the stockholder advisory vote on named executive officer compensation under Item 3.

Can I change my vote after I return my proxy card?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing with the Secretary of the Company a notice of revocation or a duly executed proxy bearing a later date or by attending the annual meeting and voting in person. For shares you hold beneficially in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

Who counts the votes?

Votes will be counted by employees of Broadridge Financial Solutions, Inc. (“Broadridge”) and certified by the Inspector of Election present at the meeting. If you are a stockholder of record, your signed proxy card is returned directly to Broadridge for tabulation. If you hold your shares in “street name” through a broker, bank or other nominee, your broker, bank or other nominee will return one proxy card to Broadridge on behalf of all of its clients.

What are the Board’s recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board’s recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote FOR each of the proposals.

Will stockholders be asked to vote on any other matters?

To the knowledge of the Company and its management, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for stockholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Election of Directors. Directors are elected (Item 1) by a plurality of the votes cast at the meeting. Each share of our common stock is entitled to one vote for each of the director nominees. A properly executed proxy marked “withhold authority”, with respect to the election of one or more directors, will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Approval of Independent Registered Public Accounting Firm. The ratification of the appointment of Ernst & Young LLP to serve as the Company’s independent registered public accounting firm for fiscal 2013 (Item 2) requires the affirmative vote of the majority of the votes cast.

Approval of the “Say on Pay” proposal. The approval of the resolution regarding the stockholder advisory vote on named executive officer compensation in the “Say on Pay” proposal (Item 3) requires the affirmative vote of the majority of the votes cast.

A properly executed proxy marked “abstain” with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

How are votes counted?

In the election of directors, you may vote “FOR” the nominee or your vote may be “WITHHELD” with respect to the nominee. You may not cumulate your votes for the election of directors.

For the ratification of Ernst & Young LLP to serve as the Company’s independent registered public accounting firm for fiscal 2013 (Item 2) and the stockholder advisory vote on named executive officer compensation in the “Say on Pay” proposal (Item 3) you may vote “FOR,” “AGAINST” or “ABSTAIN.”

If you elect to “ABSTAIN,” the abstention has the same effect as a vote “AGAINST.” If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items.

If you hold your shares in “street name” through a broker, bank or other nominee rather than directly in your own name, then your broker, bank or other nominee is considered the stockholder of record, and you are considered the beneficial owner of your shares. The Company has supplied copies of its proxy materials for its 2012 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record, and they have the responsibility to send these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares at the annual meeting. The broker, bank or other nominee that is the stockholder of record for your shares is obligated to provide you with a voting instruction card for you to use for this purpose. If you are a beneficial owner and your broker, bank or other nominee holds your shares in its name, the broker, bank or other nominee is permitted to vote your shares on the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm, even if the broker, bank or other nominee does not receive voting instructions from you.

If the broker, bank or other nominee does not receive voting instructions from you, your shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered present and entitled to vote on that proposal. If a quorum is present at the annual meeting, the persons receiving the greatest number of votes will be elected to serve as directors. As a result, broker non-votes will not affect the outcome of the voting on the election of directors (Item 1) or the stockholder advisory vote on named executive officer compensation in the “Say on Pay” proposal (Item 3). Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum, but will not be considered voted with regard to or treated as present with respect to those proposals to which the broker non-votes relate. The ratification of the appointment of the Company’s independent registered public accounting firm (Item 2) requires the affirmative vote of the majority of the shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote on the proposal. Brokers are allowed to vote on behalf of beneficial owners without instruction on Item 2, but are not permitted to vote on any other proposals without voting instructions from you.

Shares represented by proxies which indicate that the stockholders abstain as to the election of directors or to other proposals will be treated as being present for the purpose of determining the presence of a quorum and, other than for the election of directors and the number of votes cast with respect to each proposal. Consequently, an abstention will have the effect of a vote against with respect to proposals other than the election of directors.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Where can I find the voting results of the annual meeting?

The Company intends to announce the preliminary voting results at the annual meeting and publish the final results in its Current Report on Form 8-K which will be filed within four business days after the meeting.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders?

You may submit proposals for consideration at future stockholder meetings. For a stockholder proposal to be considered for inclusion in our proxy statement for the annual meeting next year, our Corporate Secretary must receive the written proposal at our principal executive offices no later than March 28, 2013. Such proposals also must comply with Rule 14a-8 of the SEC's regulations under the Securities Exchange Act of 1934, as amended (the "Exchange Act") regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Corporate Secretary
RBC Bearings Incorporated
One Tribology Center
Oxford, CT 06478

For a stockholder proposal that is not intended to be included in our proxy statement, the stockholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of our common stock to approve the proposal and provide the information required by our by-laws and give timely notice to the Corporate Secretary in accordance with our by-laws, which, in general, require that the notice be received by the Corporate Secretary:

- Not less than 60 days prior to the next meeting, and
- Not more than 90 days prior to the next meeting.

In the event that less than 70 days' notice or prior public announcement of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the 10th day following the date on which such notice of the date of the annual meeting was mailed or such public announcement was made.

How may I recommend or nominate individuals to serve as directors?

You may propose director candidates for consideration by the Board's Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Corporate Secretary at the address of our principal executive offices set forth above.

In addition, our by-laws permit stockholders to nominate directors for election at an annual stockholder meeting. To nominate a director, a stockholder must deliver timely notice of such stockholder's intent to make such nomination in writing to the Corporate Secretary. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 60 nor more than 90 days prior to the date of the first anniversary of the previous year's annual meeting. In the event that the date of the annual meeting is changed by more than 30 days from such anniversary date, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure of the meeting was made. To be in proper form, a stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election as a director at such meeting (A) the name, age, business address and residence address of the person, (B) the principal occupation or employment of the person, (C) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and (D) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act; and (ii) as to the stockholder giving the notice (A) the name and record address of such stockholder, (B) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder, (C) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (D) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice and (E) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

How may I obtain a copy of RBC Bearings' by-law provisions regarding stockholder proposals and director nominations?

You may contact the Corporate Secretary at our principal executive offices for a copy of the relevant by-law provisions regarding the requirements for making stockholder proposals and nominating director candidates.

PROPOSALS SUBMITTED FOR STOCKHOLDER VOTE

ITEM 1: ELECTION OF DIRECTORS

The Board currently is composed of five directors serving staggered three-year terms and divided into three classes: Class I currently consists of Dr. Thomas J. O'Brien, Class II consists of Mitchell I. Quain, Richard R. Crowell and Alan B. Levine and Class III consists of Dr. Michael J. Hartnett and Dr. Amir Faghri. Class I, Class II and Class III directors will serve until our annual meetings of stockholders in 2013, 2012 and 2014, respectively. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class, and until the director's successor is duly elected and qualified, or until the director's resignation or removal.

Our Nominating and Corporate Governance Committee has nominated Mitchell I. Quain for re-election as a Class I director and has nominated Richard R. Crowell and Alan B. Levine for re-election as Class II directors. Our Nominating and Corporate Governance Committee reviewed the qualifications of the nominees for election to these classes, and unanimously recommended that these nominees be submitted for election or re-election to the Board. If re-elected, Mitchell I. Quain will be moving from Class II to Class I. The term of office of the Class II directors expires this year. Mitchell I. Quain is currently a director of RBC Bearings Incorporated and was appointed to the Board in September, 2011. Richard R. Crowell is currently a director of RBC Bearings Incorporated and was appointed to the Board in June, 2002. Alan B. Levine is currently a director of RBC Bearings Incorporated and was appointed to the Board in October, 2005. If elected at the annual meeting, the Class I nominee would serve until the 2013 annual meeting and the Class II nominees would serve until the 2015 annual meeting and until their successors are duly elected and qualified, or until the director's resignation or removal.

For a stockholder to nominate an individual for director at the 2013 annual meeting, the stockholder must follow the procedures outlined below under the caption "Stockholder Proposals and Director Nominations for the 2013 Meeting." Stockholders may also nominate a director to be considered by the Board for recommendation to the stockholders in the Company's proxy statement for the 2013 annual meeting by following the procedures outlined below under the caption "Director Nominations to be Considered by the Board."

If you sign your proxy or voting instruction card but do not give instructions with respect to voting for directors, your shares will be voted for the persons recommended by the Board. If you wish to give specific instructions with respect to voting for directors, you may do so by indicating your instructions on your proxy or voting instruction card.

If any nominee named herein for election as a director should for any reason become unavailable to serve prior to the annual meeting, the Board will, prior to the annual meeting, (i) reduce the size of the Board to eliminate the position for which that person was nominated, (ii) nominate a new candidate in place of such person and vote in favor of the new candidate all shares represented by stockholder proxies received by the Board, unless authority to vote for all candidates nominated by the Board is withheld, or (iii) leave the place vacant to be filled at a later time.

Information regarding the nominees, as of July 1, 2012, is set forth below, including his age, the period he has served on the Board and the nominee's business experience. The information presented below for the director nominee and the directors continuing in office has been furnished to the Company by such persons.

The following paragraphs provide information as of the date of this proxy statement about each nominee for director. The information presented includes information each director has provided us about his age (as of July 1, 2012), all positions he holds, his principal occupation and business experience for the past five years and the names of other publicly-held companies for which he currently serves as a director or has served as a director during the past five years. We have also provided below information regarding additional experience, qualifications, attributes and skills that lead our Board to the conclusion that each person should serve as a director. In addition to the information set forth below, we also believe that all of our director nominees have a reputation for integrity, honesty and adherence to high ethical standards. They each have demonstrated business acumen and ability to exercise sound judgment, as well as a commitment of service to our Company and our Board.

Alan B. Levine has been a director and chairman of our Audit Committee since October, 2005. Mr. Levine served as Chief Financial Officer and Director of Virtual Access Networks, Inc. (2001 to 2002) and Chief Financial Officer and Treasurer of Marathon Technologies Corporation (1998 to 2001). Mr. Levine is currently a Director of Magnetek, Inc. He was also a member of the Board of Directors and Audit Committee Chair of MCK Communications before the company's merger in November, 2003. Prior to this, Mr. Levine was with Ernst & Young LLP from 1974 to 1998, and was Partner from 1986 to 1998, where he established and directed an Entrepreneurial Services practice. From January, 2007 until July, 2011, he served as Vice President and Chief Financial Officer of the Graduate Management Admission Council. He is currently retired. He is a former Director and Audit Committee Chair of Nextera Enterprises, Inc. Mr. Levine earned a Bachelor of Arts degree from the University of Vermont. He also holds a Master of Accounting degree from the University of Arizona and was a certified public accountant. As chairman of our Audit Committee Mr. Levine has demonstrated that he is valuable to the Audit Committee's function. He is the Company's designated "audit committee financial expert" as defined by SEC regulations. Mr. Levine brings to the Board extensive demonstrated expert knowledge and experience in accounting and finance from his Master of Accounting degree and as a former partner with Ernst & Young LLP and former Chief Financial Officer. This knowledge and experience gives Mr. Levine a perspective that he is able to use to help the Audit Committee and Board understand the highly technical issues management confronts on a daily basis and to serve as a critical resource for management. Mr. Levine's depth of business, accounting and financial experience make him an excellent candidate as a member of our Board.

Vote Required

Directors are elected by a plurality of the votes cast at the meeting. Accordingly, Mr. Quain, Mr. Crowell and Mr. Levine will be elected if they receive more votes than any other nominees for a place on the Board.

The Board recommends a vote *FOR* the election to the Board of Directors of the nominees listed above.

ITEM 2: THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2013

The Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for fiscal 2013, and has further directed that the Board submit the selection of Ernst & Young LLP for ratification by the stockholders at the annual meeting. During fiscal 2012, Ernst & Young LLP served as the Company's independent registered public accounting firm and also provided certain tax services. See "Principal Accountant Fees and Services" below.

This proposal is put before the stockholders because the Audit Committee and the Board believe that it is good corporate practice to seek stockholder ratification of the Audit Committee's appointment of the independent registered public accounting firm. If the appointment of Ernst & Young LLP is not ratified, the Audit Committee will consider the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of Ernst & Young LLP is ratified, the Audit Committee may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent registered public accounting firm at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders. Representatives of Ernst & Young LLP are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Vote Required

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2013 requires the affirmative vote of a majority of the shares of the Company's common stock present in person or represented by proxy at the annual meeting and entitled to vote on the proposal.

The Board recommends a vote *FOR* the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2013.

ITEM 3: NON-BINDING VOTE ON EXECUTIVE COMPENSATION

The Exchange Act requires the Company to hold a separate non-binding advisory stockholder vote (commonly known as a "Say on Pay" proposal) to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

As discussed in the “Compensation Discussion and Analysis” section of this proxy statement, the Company’s compensation program is designed to reward executives based on favorable performance and results. Compensation policies and plans (including benefits) are designed to attract and retain top quality and experienced executives by providing the opportunity to earn competitive cash compensation based on corporate, business unit and individual performance, plus the opportunity to accumulate stock-based wealth commensurate with the long-term growth and value created for the Company’s stockholders.

The Company seeks to attract executive talent by offering competitive base salaries and annual and long-term performance incentive opportunities. The Company provides incentives that promote both the short and long-term financial and strategic objectives of the Company. Achievement of short-term objectives is rewarded through base salary and annual performance incentives, while long-term incentive grants (primarily stock options and restricted stock) encourage executives to focus on and align themselves with the Company’s long-term goals as well. These incentives are based on financial objectives of importance to the Company, including revenue and earnings growth and creation of stockholder value. The Company’s compensation program also accounts for individual performance, which enables the Company to differentiate among executives and emphasize the link between personal performance and compensation.

The Board believes that our compensation program for our named executive officers is appropriately based upon our performance and the individual performance and level of responsibility of the executive officers. We urge you to read the “Executive Compensation” section of this proxy statement for details on the Company’s executive compensation programs.

We are asking our stockholders to indicate their support for our named executive officers’ compensation as described in this proxy statement. This proposal gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed in the Company’s Proxy Statement for the 2012 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion is hereby APPROVED.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. The Company, our Board and the Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officers compensation as disclosed in this proxy statement, we will consider our stockholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board has adopted a policy providing for annual “Say on Pay” advisory votes. Unless the Board modifies this policy, the next “Say on Pay” advisory vote will be held at our 2013 annual meeting of stockholders

The Board of Directors recommends a vote *FOR* the approval of the Compensation of our Named Executive Officers.

ITEM 4: OTHER MATTERS

As of the date of this proxy statement, the Company knows of no business that will be presented for consideration at the 2012 annual meeting other than the items referred to above. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to the Company will be voted in accordance with the recommendation of the Board or, in the absence of such a recommendation, in the manner the proxy holder considers appropriate.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Number of Meetings of the Board of Directors

Attendance at Annual Meetings of the Stockholders

All directors are encouraged to attend the annual meeting of the stockholders. All directors attended the 2011 annual meeting of stockholders either in person or by teleconference.

Director Independence

Certain rules of the Nasdaq Global Select Market (“Nasdaq”) require that the Board be comprised of a majority of “independent directors,” and each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee be comprised solely of “independent directors” as defined under Nasdaq rules.

Based upon the information submitted by each of the directors, and following the recommendation of the Nominating and Corporate Governance Committee, the Board has made a determination that all of our current directors, with the exception of Mr. Hartnett satisfy the “independence” requirements of Nasdaq, SEC regulations and the Company’s Corporate Governance Guidelines. The standards for determining independence are those set forth in the Nasdaq listing standards and the Company’s Corporate Governance Guidelines. The Company’s Corporate Governance Guidelines can be found on our website at www.rbcbearings.com.

Executive Sessions

The Company’s Corporate Governance Guidelines require the non-management directors to meet in executive sessions on a periodic basis without management. The presiding director, for purposes of leading these meetings, will be the Chairman of the Audit Committee. The non-employee members of the Board and the Audit Committee, respectively, met in executive session during one of the Board and all of the Audit Committee meetings held in fiscal 2012.

Communications between Stockholders and the Board

Stockholders may send communications to the Company’s directors as a group or individually, by writing to those individuals or the group at the following address: RBC Bearings Incorporated, c/o the Corporate Secretary, One Tribology Center, Oxford, CT 06478. The Corporate Secretary will review all correspondence received and will forward all correspondence that is relevant to the duties and responsibilities of the Board or the business of the Company to the intended director(s). Examples of inappropriate communication include business solicitations, advertising and communication that is frivolous in nature, relates to routine business matters (such as product inquiries, complaints or suggestions), or raises grievances that are personal to the person submitting the communication. Upon request, any director may review communication that is not forwarded to the directors pursuant to this policy.

The Board has adopted a policy for submitting concerns regarding the Company’s accounting or auditing matters. Reports may be sent to the Audit Committee through one of the following means: (1) calling the Company’s Ethics Hotline at 1-866-247-5449, which is available 24 hours per day, 365 days per year, and leaving a recorded message and (2) in writing marked Private & Confidential to the Audit Committee, RBC Bearings Incorporated, c/o the General Counsel, One Tribology Center, Oxford, CT 06478. The confidentiality of all reports will be maintained to the extent consistent with law.

The Compensation Committee held 3 meetings in fiscal 2012.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held 2 meetings during fiscal 2012.

Desired qualities include: high-level leadership experience in business or administrative activities, and significant accomplishment; breadth of knowledge about issues affecting the Company; proven ability and willingness to contribute special competencies to Board activities; personal integrity; loyalty to the Company and concern for its success and welfare; willingness to apply sound and independent business judgment; awareness of a director's vital role in assuring the Company's good corporate citizenship and corporate image; no present conflicts of interest; availability for meetings and consultation on Company matters; enthusiasm about the prospect of serving; willingness to assume broad fiduciary responsibility; and willingness to become a Company stockholder.

In evaluating candidates, the committee reviews all candidates in the same manner, regardless of the source of the recommendation. The policy of the Nominating and Corporate Governance Committee is to consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described under Director Nominations to be Considered by the Board."

Corporate Governance Guidelines

The Board adopted a set of Corporate Governance Guidelines, which, among other things, sets forth the Company's expectations and policies with respect to the roles and responsibilities of the Board, director affiliations and conflicts, director compensation, standards of director conduct, and the qualifications and other criteria for director nominees. The Nominating and Corporate Governance Committee is responsible for periodically reviewing and reassessing the adequacy of these guidelines and recommending changes to the Board for approval.

Code of Business Conduct and Ethics

The Company's employees, officers and directors are required to abide by the Company's Code of Ethics, which is intended to insure that the Company's business is conducted in a consistently legal and ethical manner. The Code of Ethics covers areas of professional conduct, such as conflicts of interest, fair dealing, the protection of confidential information and compliance with laws, regulations and rules. Any waiver of the policies or procedures set forth in the Code of Ethics in the case of officers or directors may be granted only by the Board and must be promptly disclosed as required by law or the rules and regulations of Nasdaq.

Board Risk and Compensation Risk Oversight

The Board has oversight responsibility of the processes established to report and monitor systems for material risks applicable to the Company. The Board focuses on the Company's general risk management strategy and the most significant risks facing the Company and ensures that appropriate risk mitigation strategies are implemented by management. The Board has delegated to its various committees the oversight of risk management practices for categories of risk relevant to their functions. For example, the Audit Committee oversees risks associated with the Company's systems of disclosure controls and internal controls over financial reporting as well as the Company's compliance with legal and regulatory requirements as well as risks associated with foreign exchange, insurance, credit and debt. The Corporate Governance and Nominating Committee oversees risks associated with sustainability. The Compensation Committee considers risks related to the attraction and retention of talent and risks related to the design of compensation programs and arrangements. The full Board is responsible for considering strategic risks and succession planning and receives reports from each Committee as to risk oversight within their areas of responsibility.

The Company's senior management periodically reports on risk management policies and practices to the relevant Board Committee or to the full Board so that any decisions can be made as to any required changes in the Company's risk management and mitigation strategies or in the Board's oversight of these.

Finally, as part of its oversight of the Company's executive compensation programs, the Compensation Committee considers the impact of the Company's executive compensation program, and the incentives created by the compensation awards that it administers, on the Company's risk profile. In addition, the Company reviews all of its compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. Based on this review, the Company has concluded that its compensation policies and procedures are not reasonably likely to have a material adverse effect on the Company.

Board Diversity

The Company's policy on Board diversity relates to the selection of nominees for the Board. In selecting a nominee for the Board, the Nominating and Corporate Governance Committee considers the skills, expertise and background that would complement the existing Board and ensure that its members are of sufficiently diverse and independent backgrounds, recognizing that the Company's businesses and operations are diverse and global in nature. The Nominating and Corporate Governance Committee does not have a specific policy regarding diversity when assessing candidates for the Board, but may consider various kinds of diversity such as diversity of professional background and capabilities, knowledge of specific industries and geographic experience, as well as the more traditional diversity concepts of race, gender and national origin experience and industry diversity, when considering whether to nominate an individual for Board membership. The Nominating and Corporate Governance Committee assesses the effectiveness of this objective when evaluating new director candidates and when assessing the composition of the Board. The Board believes it is important that its members represent diverse viewpoints and perspectives in their application of judgment to company matters.

Board Leadership Structure

The Board has no formal policy with respect to the separation of the offices of the Chairman and the Chief Executive Officer, which are currently combined. However, the Board understands that no single leadership model is right for all companies and at all times. The Board believes that it should have the flexibility to make decisions as to the Chairman position from time to time in the way that it believes will best provide effective leadership for the Company. Accordingly, the Board periodically reviews its leadership structure, including whether these offices should be separate. The Board has determined that the current structure consisting of combined roles of Chairman and Chief Executive Officer is an effective and appropriate leadership structure for the Company at this time. All the current members of our Board are independent, except for the CEO, and all of our Board committees are composed entirely of independent directors.

To promote open discussion among the independent directors, the independent directors routinely meet in executive session without the participation of management at each regularly scheduled meeting of the Board. The Board does not have a lead independent director. The Chairman of the Audit Committee leads the sessions of the Board in which management directors and other members of management are not present.

DIRECTOR COMPENSATION

Independent members of our Board are paid \$50,000 per year, payable quarterly, and are entitled to annual stock option and restricted stock grants for their services at the discretion of the Compensation Committee and upon approval of the Board. During fiscal 2012 each director was granted stock options and shares of restricted stock as indicated in the table below. In addition, the Chairs of the Compensation and Audit Committees are entitled to an additional payment of \$5,000 per year. In addition, our compensation policy provides for reimbursement for reasonable out-of-pocket expenses incurred in connection with attendance at Board meetings or of any committee thereof. The Compensation Committee reviews non-employee director compensation annually and recommends changes to the Board for approval.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation Committee has responsibility for determining the compensation of the Company's Chief Executive Officer (the "CEO") and for the review and approval of the CEO's recommendations regarding the compensation of other executive officers. The Compensation Committee also has the sole authority to retain and terminate any executive compensation consultants engaged to provide advice to the Compensation Committee in discharging its responsibilities and to retain other professional advisors, when necessary or appropriate. All goals and objectives and related compensation decisions regarding executive officers other than the CEO are determined in discussion with, and are based upon the recommendation of, the CEO, who is in the best position to initially assess performance. The Compensation Committee does not delegate any of this authority discussed above to any other person or persons.

The Compensation Committee evaluates the CEO's performance, and makes all determinations regarding compensation of the CEO, including the review and approval of corporate goals and objectives related to the CEO's compensation and evaluating the performance of the CEO in light of agreed upon goals and objectives and in accordance with the CEO's July 1, 2005 Employment Agreement and April 4, 2010 Employment Agreement.

The Compensation Committee, in consultation with the Board, the CEO and senior management, also has the authority to develop and approve the Company's executive compensation philosophy, including the balance between or mix of base salaries, cash and equity-based incentive compensation and other compensation components for the CEO and other executive officers. The Compensation Committee also makes recommendations to the full Board with respect to the compensation of directors for service on the Board.

Compensation Objectives and Philosophy

The Company's compensation program is designed to reward executives based on favorable performance and results. Compensation policies and plans (including benefits) are designed to attract and retain top quality and experienced executives by providing the opportunity to earn competitive cash compensation based on corporate, business unit and individual performance, plus the opportunity to accumulate stock-based wealth commensurate with the long-term growth and value created for the Company's stockholders.

The Company seeks to attract executive talent by offering competitive base salaries and annual and long-term performance incentive opportunities. The Company provides incentives that promote both the short and long-term financial and strategic objectives of the Company. Achievement of short-term objectives is rewarded through base salary and annual performance incentives, while long-term incentive grants (primarily stock options and restricted stock) encourage executives to focus on and align themselves with the Company's long-term goals as well. These incentives are based on financial objectives of importance to the Company, including revenue and earnings growth and creation of stockholder value. The Company's compensation program also accounts for individual performance, which enables the Company to differentiate among executives and emphasize the link between personal performance and compensation.

The Compensation Committee compares the Company's senior management compensation levels with those of a peer group of companies in industries related to the Company and similar-size companies in the bearings industry.

The companies in such peer group of companies are:

Altra Holdings, Inc.	Kaman Corporation
Barnes Group Inc.	Kaydon Corp.
Circor International Inc	Moog Inc.
Crane Co.	Rexnord Corporation
EnPro Industries, Inc.	Silgan Holdings Inc.
Franklin Electric Co. Inc.	Triumph Group, Inc.
Heico Corp.	Wesco International Inc.
Hexcel Corp.	

In addition, the Compensation Committee and senior management periodically review the effectiveness and competitiveness of the Company's executive compensation structure with the assistance of independent consultants. Such consultants generally report directly to the Compensation Committee; however, senior management has engaged, and may in the future engage, compensation consultants, subject to Compensation Committee approval and oversight.

The key elements of executive compensation are base salary, annual performance incentive awards and long-term incentive awards. The Compensation Committee targets the base salary element to deliver compensation to each executive and all executives as a group within the mid-level range of compensation for persons having similar responsibilities at companies in the comparison group. The Compensation Committee targets the annual performance incentive awards and long-term incentive awards elements to deliver compensation to each executive and all executives as a group that exceeds industry average ranges of compensation for persons having similar responsibilities at companies in the comparison group based on an assessment of performance by the CEO. Based on the last competitive compensation assessment conducted by compensation consultants for the Company, such incentive awards were targeted at the 60th percentile of industry average ranges in the aggregate as a group.

Compensation Program Components

The Compensation Committee regularly reviews and updates the Company's compensation program for the CEO and other executive officers to ensure that compensation levels and benefits are competitive and reasonable using the guidelines described above. The particular elements of the compensation program for the CEO and other executive officers are set forth in more detail below.

Base Salaries

The base salary of the CEO is determined in accordance with the CEO's July 1, 2005 and April 4, 2010 Employment Agreements. The Compensation Committee annually reviews and approves the CEO's recommendations with respect to base salaries of other executive officers. In the case of the other executive officers, the CEO and Compensation Committee take into account the results achieved by the individual executive officer, his or her future potential, scope of responsibilities and experience and competitive salary practices. Base salary levels for the other executive officers are primarily determined by the CEO and approved by the Compensation Committee at levels the CEO and Compensation Committee deem appropriate to attract and retain the level of competence necessary for the position. Annually, thereafter, base salaries for the other executive officers are determined by an assessment of the individual executive officer's sustained performance, the impact of such performance on the results of the Company, and such salary's competitive relationship to industry and market level considerations within the ranges the Compensation Committee considers reasonable and necessary for that executive officer position.

Annual Incentive Compensation Plan

Under the Company's annual incentive compensation plan, the Company pays performance-based annual incentive awards, the details of which are disclosed in the SUMMARY COMPENSATION table below, focused on matching rewards with results.

In the case of the CEO, and in accordance with the CEO's July 1, 2005 and April 4, 2010 Employment Agreements, the CEO is entitled to an annual performance bonus equal to (a) a percentage of the CEO's base salary determined at the discretion of the Board of Directors if the percentage of the Company's actual EBITDA to plan is less than ninety percent; (b) one hundred percent of the CEO's base salary if the percentage of the Company's actual EBITDA to plan is at least ninety percent but less than one hundred percent; (c) one hundred fifty percent of the CEO's base salary if the percentage of the Company's actual EBITDA to plan is at least one hundred percent but less than one hundred ten percent; and (d) two hundred percent of the CEO's base salary if the percentage of the Company's actual EBITDA to plan is one hundred ten percent or higher.

The Vice President and Chief Financial Officer is eligible for an annual performance bonus targeted to equal fifty percent of his base salary. The bonus is determined at the discretion of the CEO if the percentage of the Company's actual EBITDA to plan is less than ninety percent and can reach up to one hundred twenty five percent of the targeted annual performance bonus if the percentage of the Company's actual EBITDA to plan is one hundred five percent or higher.

In the case of executive officers in charge of operating segments, for the Company's 2008 fiscal year and beyond, each is eligible for a cash incentive bonus targeted to equal sixty percent of base salary. The targeted percentage is made up of three elements: (1) thirty percent of base salary upon achieving one hundred percent of the established annual revenue and profit plan, with a minimum threshold of more than eighty percent of plan, and an opportunity to earn up to sixty percent of base salary if the achievement is equal to one hundred and twenty percent of plan; (2) up to fifteen percent of base salary based on year to year revenue growth achievement in excess of that percentage equal to two times U.S. Gross Domestic Product; and (3) up to fifteen percent of base salary, at the discretion of the CEO, upon achievement of acceptable customer service levels, development of human resources and the Company's overall performance. The actual bonuses determined by the CEO are not limited to the targeted percent.

Other executive officers are entitled to an annual performance bonus targeted to equal a percent of their base salary determined at the discretion of the CEO based on the Company's overall performance and the individual's performance. The actual bonuses determined by the CEO are not limited to the targeted percent.

In addition to the annual incentive compensation plan payments based on the metrics set forth above, the Compensation Committee may pay additional discretionary bonuses to the named executive officers in the case of exceptional performance based on a subjective evaluation of performance relative to a number of factors, including "Cash Flow", "Cumulative Earnings Per Share Growth", "Customer Service Levels", "Debt (Net Debt) to Capital", "Development of Human Resources", "EBIT", "EBIT Margins", "EBITDA", "EBITDA Margins", "Earnings Per Employee", "Earnings Per Share", "Free or Excess Cash Flow", "Free or Excess Cash Flow Per Share", "Interest Coverage Ratio", "Leverage Ratio", "Net Income", "Net Profit Margin", "Operating Cash Flow", "Operating Income", "Operating Margins", "Pre-Tax Profit", "Pre-Tax Profit Margin", "Profit Margin", "Return on Capital", "Return on Net Assets", "Return on Total Assets", "Return on Equity", "Sales", "Sales Growth", "Sales Per Employee," "Total Return to Stockholders", "U.S. Gross Domestic Product", "Working Capital" and "Working Capital as a Percent of Net Sales."

For fiscal 2012, the EBITDA per plan approved by the Board of Directors was equal to \$81,600,000 representing an increase of 11.5 percent as compared to fiscal 2011 actual EBITDA of \$73,200,000.

After the results of a Company's fiscal year are complete the actual EBITDA will be calculated. In addition, the actual revenue and profits results with respect to Mr. Edward's and Mr. Crainer's operating segments will be calculated.

Based on the actual EBITDA result, the CEO's annual performance bonus will be calculated based on the formula in his Employment Agreement as set forth above. Based on the actual EBITDA result, the CFO's annual performance bonus will be calculated based on the formula as set forth above. Based on the actual revenue and profits results with respect to Mr. Edward's and Mr. Crainer's operating segments, their respective performance bonuses will be calculated based on the formulas set forth above and the discretion of the CEO based on an evaluation of their performance. The annual performance bonuses for all other executive officers are then determined by and at the discretion of the CEO based on the Company's overall performance and his assessment of the individual's performance.

The Compensation Committee will then determine whether any additional discretionary bonuses should be paid to any of the named executive officers based on exceptional performance after a subjective evaluation of performance relative to the factors set forth above. In the event an additional discretionary bonus is paid to any executive officer, an enumeration of the factors relied on by the Compensation Committee will be disclosed herein.

For fiscal 2012, the Company's EBITDA per plan was equal to \$81,623,000 and the actual Company EBITDA was equal to \$95,959,000. Thus, the actual EBITDA to plan was equal to one hundred seventeen and five tenths percent. The CEO was therefore entitled to a maximum annual performance bonus equal to \$1,601,654 calculated at two hundred percent of his base salary of \$800,827. The CFO was entitled to a maximum annual performance bonus equal to \$191,875 calculated at sixty two and one half percent of his base salary of \$307,000.

For fiscal 2012, the Compensation Committee further subjectively evaluated the individual performance of the CEO. Based primarily on the fact that actual EBITDA to plan was equal to one hundred seventeen and five tenths percent, the Committee determined that the CEO should be paid an additional discretionary bonus in the amount of \$398,346. For fiscal 2012, the Compensation Committee, upon recommendation of the CEO, further subjectively evaluated the individual performance of the CFO. Based primarily on the fact that actual EBITDA to plan was equal to one hundred seventeen and five tenths percent, the Compensation Committee determined that the CFO should be paid an additional discretionary bonus in the amount of \$108,125.

For fiscal 2012, Mr. Crainer was awarded an annual performance bonus in the amount of \$266,400. For fiscal 2012, Mr. Crainer achieved 124.5 % of his goal under element (1) of his operating plan and therefore received a payment equal to 2 times the targeted amount under that element which is 30% of his base salary of \$296,000; this calculates to \$177,600. Mr. Crainer also achieved 100% of his goal under element (2) of his operating plan and therefore received a payment equal to 100% of his targeted amount under that element which is 15% of his base salary of \$296,000; this calculates to \$44,400. Last, Mr. Crainer received a payment under element (3) of his operating plan, equal to 100% of the targeted amount under that element which is 15% of his base salary of \$296,000; this calculates to \$44,400.

For 2012, Mr. Edwards was awarded an annual performance bonus in the amount of \$216,800. For fiscal 2012, Mr. Edwards achieved 115 % of his goal under element (1) of his operating plan and therefore received a payment equal to 1.75 times the targeted amount under that element which is 30% of his base salary of \$280,000; this calculates to \$147,000. Mr. Edwards also achieved 100% of his goal under element (2) of his operating plan and therefore received a payment equal to 100% of his targeted amount under that element which is 15% of his base salary of \$280,000; this calculates to \$42,000. Last, Mr. Edwards received a payment under element (3) of his operating plan, equal to 66% of the targeted amount under that element which is 15% of his base salary of \$280,000; this calculates to \$27,800.

For fiscal 2012, Mr. Williams was awarded an annual performance bonus in the amount of \$125,000. This amount represents fifty three percent of his base salary of \$235,000. The annual performance bonus was based on the assessment and recommendation of the CEO based on the Company's overall performance and his assessment of Mr. Williams' performance.

The base salaries referenced above are the base salaries in effect when the annual performance bonuses were determined. These base salaries differ from the base salaries reflected in the Summary Compensation Table due to base salaries straddling fiscal years.

Long-Term Equity Incentive Program

The Company's 2005 Long-Term Incentive Plan provides for grants of stock options, restricted stock and other types of equity awards for executive officers and other key managers. The objectives of the 2005 Long-Term Incentive Plan are to align management and stockholder long-term interests by creating a strong and direct long-term relationship between executive compensation and stockholder returns. The Compensation Committee strongly believes that by providing those individuals who have substantial responsibility for the management and growth of the Company with an opportunity to increase their ownership of Company common stock, the best interests of stockholders, executive officers and key managers are more closely aligned. If equity incentives are to be awarded to executive officers, the grant is based upon the perceived incentive that grant will provide and the benefits that the grant may have on long-term stockholder value. The determination of the number of shares granted is based upon the level and contribution of the employee. Our directors, executive officers and certain other employees are eligible for grants under the plan. The purpose of the plan is to provide these individuals with incentives to maximize stockholder value and otherwise contribute to our success and to enable us to attract, retain and reward the best available persons for positions of responsibility.

The Compensation Committee generally provides that equity incentives vest over a period of three to five years which increases the long-term aspect of these awards. As a result of the extended vesting schedule, the dollar value of these stock-based incentives can appreciate to substantial amounts since there is a longer time period for the Company stock price to appreciate. Further, the Compensation Committee believes that the extended vesting of equity incentives also promotes retention and spreads compensation expense over a longer term. This expense is amortized over the vesting period of the equity incentive subject to the provisions of Financial Accounting Standard (FAS) 123(R) (now Accounting Standards Codification (ASC) 718). Because the Company's tax deduction is based on the fair market value at the time restrictions lapse, the after-tax cost of this program can be very favorable to the Company based on future appreciation of Company common stock.

Stock Options

Executives (including the executive officers) receive nonqualified stock options that:

- have an exercise price equal to the fair market value of common stock on the date of grant;
- typically vest over a three to five-year period in equal amounts each year; and
- expire seven years after the date of grant.

Under accounting rules, the value of the stock options at the time of grant is expensed over the vesting period in the year the options are earned. When executives exercise stock options, they are taxed at ordinary income tax rates (subject to withholding) and the Company receives a corresponding tax deduction.

Restricted Shares

Executives (including certain executive officers) receive restricted shares that typically vest over a three to five year period in equal amounts each year.

Under accounting rules, the grant date fair value is expensed over the service/vesting period based on the shares that are earned. The executives are generally taxed at ordinary income tax rates (subject to withholding) when the shares vest, and the Company receives a corresponding tax deduction.

As of the end of fiscal 2012, there remained 387,700 shares available for issuance as restricted shares under the 2005 Long-Term Incentive Plan.

For further information regarding Base Salary, Annual Incentive and the Long-Term Equity Incentive Program for the CEO and certain other executive officers, see "Summary Compensation" below.

Retirement Plans

The Company does not maintain any pension programs for the benefit of the CEO or other executive officers. The Company has a defined contribution plan under Section 401(k) of the Internal Revenue Code ("Code") for all of its employees not covered by a collective bargaining agreement. The CEO and other executive officers are entitled to participate in this 401(k) plan on the same terms and conditions as all other eligible employees subject to a 5% of eligible employee compensation participation limit for highly compensated employees. The plan is funded by eligible participants through employee contributions and by the Company through matching contributions equal to 30% of the first 6% of eligible employee compensation. These employee matching contributions were suspended by the Company on January 1, 2009 and reinstated on April 4, 2010 by the Company through matching contributions equal to 10% of the first 3.5% of eligible employee compensation.

Supplemental Executive Retirement Plan

To attract and retain highly qualified senior management executives, the Company has adopted a Supplemental Executive Retirement Plan (the "SERP") effective September 1, 1996. The SERP is a nonqualified supplemental pension plan for executives selected by the CEO that provides pension benefits in excess of those provided by the Company's 401(k) plan discussed above. The SERP allows eligible employees to elect to defer, until termination of their employment, the receipt of up to twenty five percent of their current compensation. The Company makes contributions equal to fifty percent of the deferral amount, up to seven percent of the employees' annual compensation, which vests in full after three years of service. The SERP was amended in August 2008, allowing eligible employees to defer up to 75% of their current salary and up to 100% of bonus compensation. Also, the vesting period was reduced to one year of service.

The matching contributions were suspended by the Company on January 1, 2009 and reinstated on April 1, 2011 by the Company through matching contributions equal to 25% of the first 7% of eligible employee compensation.

Employment Agreements

On July 1, 2005, the Company entered into an employment agreement with Dr. Michael J. Hartnett, in connection with his appointment as President and CEO of the Company. A copy of the agreement is filed as Exhibit 10.19 to Amendment No. 4 to the Form S-1 Registration Statement dated August 8, 2005. On April 22, 2010 the Company entered into a new Employment Agreement with Dr. Michael J. Hartnett, effective April 4, 2010, pursuant to which Dr. Hartnett continued to be employed as President, Chief Executive Officer and Chairman of the Board. The new Employment Agreement replaced the July 1, 2005 Employment Agreement, has a two year initial term with automatic annual renewals thereafter, is substantially similar to his current Employment Agreement and provides for (i) the continuation of his current base salary and annual performance bonus formula based on the Company's performance in relation to an approved operating plan; and (ii) an amended change in control provision consistent with those provisions previously approved for other Executive Officers of the Company and discussed under "Change-in-Control Compensation Agreement". A copy of the April 4, 2010 new Employment Agreement is filed as Exhibit 10.1 to Current Report on Form 8-K dated April 26, 2010. No other executive officers have employment agreements and are employed "at will".

Perquisite Programs

The Company's executive officers are eligible to participate in the Company's broad-based benefit programs, including health, disability and life insurance, and relocation programs. The perquisites provided to the CEO are set forth in Schedule A to the CEO's July 1, 2005 Employment Agreement and the April 4, 2010 Employment Agreement. Certain named executive officers may also receive certain Company-provided perquisites including, reimbursement of certain personal expenses, a leased vehicle or a vehicle allowance. These items are intended to provide those executives with a competitive perquisite program. For further information regarding specific perquisites provided to the named executive officers, see "Summary Compensation" below.

Change-in-Control Compensation Agreements

Change-in-control compensation agreements generally protect income for key executives who would likely be involved in decisions regarding and/or successful implementation of merger/acquisition activity and who are at risk for job loss if a takeover occurs. We believe it is in the best interests of the Company and its stockholders to have such an agreement with our CEO and other executive officers in order (i) for the Board to be able to receive and rely upon the executive's advice and counsel as to the best interests of the Company and its stockholders without concern that they might be distracted or influenced by the personal uncertainties and risks created by merger and/or acquisition proposals or threats, and (ii) to encourage them to remain with the Company and to continue to devote full attention to the Company's business.

The April 4, 2010 Employment Agreement with Michael J. Hartnett provides that in the event of his termination of employment due to a Change-in-control of the Company, he will generally be entitled to a payment equal to 2.5 times his annual base salary plus 2.5 times his target incentive compensation in effect at termination.

On February 1, 2010, the Company entered into Change in Control Letter Agreements with Daniel A. Bergeron, Thomas M. Burigo, Thomas C. Crainer, Richard J. Edwards, and Thomas J. Williams. Each Change in Control Letter Agreement entitles the executive to severance benefits if his employment with the Company is terminated under certain circumstances within 24 months after a change in control of the Company. The amount of severance will generally be equal to 150% of the executive's annual base salary plus 150% of the executive's target incentive compensation in effect at termination. In addition, each executive will be entitled to a pro-rata annual bonus for the year in which his termination of employment occurs and to continue participating in the Company's welfare benefit programs for up to 18 months following his termination of employment. The Change in Control Letter Agreements also commit the executives to remain employed with the Company in the event of a tender or exchange offer and includes a non-compete covenant for 12 months following the executive's termination of employment due to a change in control.

The form of the Change in Control Letter Agreement entered into with each of the named executives is attached as Exhibit 10.1 to Form 10-Q filed February 1, 2010.

In addition, the restricted stock grants and stock options owned by Michael J. Hartnett and the other executive officers, contain change-in-control provisions. If a holder of these restricted stock grants or stock options ceases to be an employee because he or she is terminated without cause (as defined in the 2005 Long-Term Incentive Plan) within 18 months after a change-in-control (as defined in the 2005 Long-Term Incentive Plan), all then unvested restricted stock and stock options shall vest on the date the holder ceases to be an employee. In addition, if there is a change-in-control of the Company or similar event, the Compensation Committee may, in its discretion, provide for the lapsing of restrictions on a participant's restricted stock and the vesting of stock options on such terms and conditions as it deems appropriate.

Compensation Committee Policy Regarding Compliance with Section 162 (m) of the Code

Section 162(m) of the Code precludes a public corporation from taking a deduction for compensation in excess of \$1 million in any taxable year for its chief executive officer or any of its four other highest paid executive officers, unless certain specific and detailed criteria are satisfied.

The Compensation Committee considers the anticipated tax treatment to the Company and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of compensation payments can depend upon the timing of an executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations as well as other factors beyond the Compensation Committee's control also can affect deductibility of compensation. For these and other reasons, the Compensation Committee has determined that it will not necessarily seek to limit executive compensation to that deductible under Section 162(m) of the Code.

Incentive bonus payments and restricted stock grants paid or awarded by the Company up until fiscal year 2010 were exempt from the deduction limitations under Section 162(m) pursuant to exceptions set forth in the Regulations issued pursuant to Section 162(m).

The Executive Officer Performance Based Compensation Plan (the "Plan") is a plan pursuant to which executive officers selected by the Compensation Committee become eligible to receive an incentive bonus or a restricted stock grant based upon the Company's meeting certain financial performance goals. The Plan is intended to constitute a qualified "performance-based compensation" for purposes of Section 162(m) of the Code. The Plan has an effective date of April 3, 2011. Dr. Hartnett was designated a Participant under the Plan by the Compensation Committee for fiscal 2012 and fiscal 2013. Dr. Hartnett's incentive bonus payable pursuant to his April 4, 2010 Employment Agreement is covered under the Plan. In addition, pursuant to the Plan, the Compensation Committee approved the award of grants of restricted stock to Dr. Hartnett equal to 25,000 shares for fiscal year 2012 and 35,000 shares for fiscal year 2013 if actual EBITDA to plan equals or exceeds eighty percent. Actual restricted stock awards in excess of approved amounts would not be deductible under Section 162(m) of the Code. The discretionary bonuses paid to Dr. Hartnett for the fiscal 2011 and fiscal 2012 years would not be deductible under Section 162(m) of the Code.

The cost to the Company of the incentive bonus amounts to be paid or restricted stock grants to participants cannot be determined at this time because payout of incentive bonus amounts and restricted stock grants are based on the Company's future financial performance, the related performance measures set by the Committee and the number of participants named by the Committee. The Committee envisions that future incentive bonus amounts to be paid or restricted stock grants to participants will be consistent with the compensation and incentive programs approved by the Committee from time to time and described in the Company's Annual Proxy to Stockholders under "Compensation Discussion and Analysis".

The Compensation Committee will continue to monitor developments and assess alternatives for preserving the deductibility of compensation payments and benefits to the extent reasonably practicable, consistent with its compensation policies and as determined to be in the best interests of the Company and its stockholders.

2005 Long-Term Equity Incentive Plan

We adopted our 2005 Long-Term Incentive Plan effective upon the completion of our initial public offering in August 2005. The plan provides for grants of stock options, stock appreciation rights, restricted stock and performance awards. Our directors, officers and other employees and persons who engage in services for us are eligible for grants under the plan. The purpose of the plan is to provide these individuals with incentives to maximize stockholder value and otherwise contribute to our success and to enable us to attract, retain and reward the best available persons for positions of responsibility.

2,939,170 shares of our common stock were authorized for issuance under the plan, subject to adjustment in the event of a reorganization, stock split, merger or similar change in our corporate structure or the outstanding shares of common stock. Of this amount, 683,502 options were awarded to Mr. Hartnett at the time of our initial public offering in August, 2005 at the offering price of \$14.50 per share and the remainder was reserved for grants to our employees and directors at the discretion of our Compensation Committee. Our Board also has the authority to administer the plan and to take all actions that the Compensation Committee is otherwise authorized to take under the plan. The terms and conditions of each award made under the plan, including vesting requirements, will be set forth consistent with the plan in a written agreement with the grantee.

Stock Options. Under the plan, the Compensation Committee or the Board may award grants of incentive stock options and other non-qualified stock options. The Compensation Committee also has the authority to grant options that will become fully vested and exercisable automatically upon a change in control. The Compensation Committee may not, however, award to any one person in any calendar year options to purchase common stock equal to more than 10% of the total number of shares authorized under the plan (other than the initial award to Mr. Hartnett discussed above), and it may not award incentive stock options first exercisable in any calendar year whose underlying shares have a fair market value greater than \$100,000 determined at the time of grant.

The Compensation Committee will determine the exercise price and term of any option in its discretion, provided that, the exercise price may not be less than 100% of the fair market value of a share of common stock on the date of grant. In the case of any incentive stock option, the option must be exercised within 10 years of the date of grant. The exercise price of an incentive stock option awarded to a person who owns stock constituting more than 10% of our voting power may not be less than 110% of such fair market value on such date and the option must be exercised within five years of the date of grant.

Restricted Stock. Under the plan, the Compensation Committee may award restricted stock, subject to the conditions and restrictions, and for the duration that it determines in its discretion. All of the 282,791 shares available for issuance are available to be used for restricted stock awards.

Stock Appreciation Rights. The Compensation Committee may grant stock appreciation rights, or SARs, subject to the terms and conditions contained in the plan. Under the plan, the exercise price of a SAR must equal the fair market value of a share of our common stock on the date the SAR was granted. Upon exercise of a SAR, the grantee will receive an amount in shares of our common stock equal to the difference between the fair market value of a share of common stock on the date of exercise and the exercise price of the SAR, multiplied by the number of shares as to which the SAR is exercised.

Performance Awards. The Compensation Committee may grant performance awards contingent upon achievement of set goals and objectives regarding specified performance criteria, over a specified performance cycle. Awards may include specific dollar-value target awards, performance units, the value of which is established at the time of grant, and/or performance shares, the value of which is equal to the fair market value of a share of common stock on the date of grant. The value of a performance award may be fixed or fluctuate on the basis of specified performance criteria. A performance award may be paid out in cash and/or shares of common stock or other securities.

Amendment and Termination of the Plan. The Board may amend or terminate the plan in its discretion, except that no amendment will become effective without prior approval of our stockholders if such approval is necessary for continued compliance with the performance-based compensation exception of Section 162(m) of the Code or any stock exchange or Nasdaq listing requirements. If not previously terminated by the Board, the plan will terminate on the tenth anniversary of its adoption.

On March 29, 2006, we accelerated vesting with respect to all outstanding options and warrants under our existing stock option plans. Such acceleration was approved by our Board. As of July 1, 2012, there were 1,817,188 outstanding stock options, 1,145,016 of which were exercisable.

The Company does not have an established quantitative formula to determine the number of shares of stock options and/or restricted shares granted to each named executive officer. The grants are based on the Compensation Committee's subjective evaluation based on an understanding and assessments of each individual named executive officer and a comparison to the competitive market for executive compensation. The factors taken into consideration by the Compensation Committee with respect to grants to named executive officers of stock options and/or restricted shares include the named executive's responsibilities, experience level, retention risk, tenure, job performance and achievement of short-term and long-term goals.

The Compensation Committee typically reviews approval of equity grants on an annual fiscal year basis. The timing of the meeting is scheduled to allow the Compensation Committee to review prior year performance and assemble all necessary information. Grants are generally scheduled to follow release of earnings for the applicable quarter. The date is not selected or changed to increase the value of stock option awards for executives or directors.

Supplemental Retirement Plan

Effective September 1, 1996, we adopted a non-qualified supplemental retirement plan, or SERP, for a select group of executive officers and management employees designated by our CEO. The SERP allows eligible employees to elect to defer until termination of their employment the receipt of up to 25% of their current salary. Until January 1, 2010 when the Company match was suspended, the Company made contributions equal to the lesser of 50% of the deferrals or 3.5% of the employee's annual salary, which vest in full after three years of service following the effective date of the SERP. The match was reinstated on April 1, 2011 by the Company through matching contributions equal to 25% of the first 7% of eligible employee compensation. The SERP was amended in August, 2008, allowing eligible employees to defer up to 75% of their current salary and up to 100% of bonus compensation. Also, the vesting period was reduced to one year of service.

Accounts are paid, either in a lump sum or installments, upon retirement, death or termination of employment. Accounts are generally payable from our general assets. Employees' rights to receive payments are subject to the rights of our creditors.

POTENTIAL PAYMENTS UPON CHANGE-IN-CONTROL OR TERMINATION

The table below summarizes the executive benefits and payments that would have been due to the CEO and other executive officers upon termination in connection with a change-in-control or termination of employment occurring on March 31, 2012, which in the case of Mr. Hartnett are based on the provisions of his current Employment Agreement and in the case of the other Executive Officers are based on their change-in-control letter agreements.

401(k) Plan

We maintain the Roller Bearing Company of America 401(k) Retirement Plan, or the 401(k) Plan, a plan established pursuant to Section 401(k) of the Code, for the benefit of our non-union employees. All non-union employees who have completed six months of service with us are entitled to participate. Subject to various limits, employees are entitled to defer up to 25% of their annual salary on a pre-tax basis and up to an additional 10% of their annual salary on an after-tax basis.

Effective April 3, 2004, we set matching contributions to our 401(k) Plan at a rate of 25% of an employee's pre-tax contribution up to 4% of annual salary. Effective June 1, 2007, we increased the matching contributions to our 401(k) Plan at a rate of 30% of an employee's pre-tax contribution up to 6% of annual salary. These employee matching contributions were suspended by the Company on January 1, 2009 and reinstated on April 4, 2010 by the Company through matching contributions equal to 10% of the first 3.5% of eligible employee compensation.

We also maintain a 401(k) plan for non-union employees at our Bremen MBC facility. These employee matching contributions were suspended by the Company on January 1, 2009 and will be evaluated in the future for reinstatement based on economic conditions. We also maintain three 401(k) plans for our union employees. Subject to various limits, union employees are entitled to defer up to 25% of their annual salary on a pre-tax basis. We make employer contributions (matching and, in some cases, non-elective contributions) based on requirements in applicable collective bargaining agreements.

DIRECTOR NOMINATIONS TO BE CONSIDERED BY THE BOARD

You may nominate director candidates for consideration by the Board’s Nominating and Corporate Governance Committee. Any such nomination should include the nominee’s name and qualifications for Board membership and should be directed to the Corporate Secretary at the address of our principal executive offices set forth above. In addition, our by-laws permit stockholders to nominate directors for election at an annual stockholder meeting. To nominate a director, a stockholder must deliver timely notice of such stockholder’s intent to make such nomination in writing to the Corporate Secretary. To be timely, a stockholder’s notice must be delivered to or mailed and received at our principal executive offices not less than 60 nor more than 90 days prior to the date of the first anniversary of the previous year’s annual meeting. In the event that the date of the annual meeting is changed by more than 30 days from such anniversary date, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure of the meeting was made. To be in proper form, a stockholder’s notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election as a director at such meeting (A) the name, age, business address and residence address of the person, (B) the principal occupation or employment of the person, (C) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and (D) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act; and (ii) as to the stockholder giving the notice (A) the name and record address of such stockholder, (B) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder, (C) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (D) a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice and (E) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

The Company evaluates director nominees recommended by stockholders in the same manner in which it evaluates other director nominees. The Company has established through its Nominating and Corporate Governance Committee selection criteria that identify desirable skills and experience for prospective Board members, including consideration of the potential candidate's qualification as independent, as well as consideration of diversity, age, skills, expertise and experience in the context of the Board and other criteria determined by the Nominating and Corporate Governance Committee from time to time.
